O R D E R

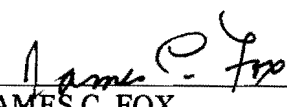

Petitioner, Henry Lamont Reid has obtained two extensions of time [DE-121, DE-123] within which to file his response in opposition to the Government's motion to dismiss or for summary judgment [DE-116]. Reid's response was due on or before on or before **April 30, 2012**. To date, Reid has filed neither a response nor another extension of time within which to do so.

The court has reviewed Reid's § 2255 motion [DE-112] and the Government's motion seeking dismissal thereof. Reid having failed to respond to the Government's motion despite obtaining two extensions of time within which to do so, the court hereby **ALLOWS** the motion to dismiss or for summary judgment [DE-116] as unopposed. This action is **DISMISSED** and the Clerk of Court is **DIRECTED** to close the case.

There having been no ground presented that could support a certificate of appealability, the court finds that no grounds exist and therefore **DECLINES** to issue such certificate.

SO ORDERED.

This, the 15th day of May, 2012.

JAMES C. FOX
Senior United States District Judge
